

**The Bible** is the best-selling and most widely distributed book in history. Many, however, find it a challenge to read through cover to cover.

There are many Bible reading plans helping people to systematically read the bible in a variety of ways. Some of us, however, abandon these plans when we get behind or disillusioned when struggling with certain biblical books.

This leaflet is simply a reading record that allows us to both monitor what we have read whilst giving freedom to explore bible books at our own pace and in our own way.
