

Supporting Schools During The Year Of Prayer

Schools play a vital part in the missional activity of the Diocese. During the Year of The Bible, the Art Competition received over 750 entries from schools across the diocese. With your valued support, we were able to provide prizes to a large number of entries, providing biblical texts and much needed art supplies to both individuals and schools.

The Year of Prayer will see the Education department building on the success of the Year of The Bible, with an exciting and ambitious year long programme of events and competitions including:

- * Prayer Through Spiritual Spaces
- * Prayer Through Word
- * Prayer Through Image
- * Prayer Spaces Week

How Can You Support Schools?

There are a number of ways you can support and encourage your local schools to take part in these activities, including:

- * Help to design and plant a Prayer Garden, either at school or church
- * Help to set up and run Prayer Space activities
- * Attend an end of Year 6 Leavers Service, which will have a poignant focus on prayer
- * Provide a donation to our prize fund
